

PRAYERCARD

To Use Your Time Wisely . . .

Ask God this week what He would have you **change** in each of the following areas to create **more** breathing room in your life.

When you acknowledge and accept the fact that the **number your days** are **limited**, you will want to use your days **more wisely** and that will help you begin to **declutter** your **schedule**. Because, that will create **more** breathing room for the most important people and things in life.

Sometime this week . . .

Pray the prayer Moses prayed:

"Teach us (God) how short our lives really are so that we may be wise." – Psalm 90:12 (New Century Version)

Then, ask God how He would have you respond to each question below. Then, write that on each line. Then, go to your calendar and begin to make some adjustments.

What should I add?

+ _____

What should I subtract?

- _____

What should I increase?

What should I decrease?

Your time is a **limited** asset. Use it wisely to not only create **more** breathing room for you, but to also create space to **make a difference** in other people's lives and to **fulfill the purpose** for which God placed you here. Use your time wisely.
