FACILITY USE POLICY

The facilities of CanyonHills Friends Church were provided through God's blessing and by the sacrificial generosity of church members. The church desires that its facilities be used for the fellowship of the Body of Christ and to bring God glory. Although the facilities are not generally open to the public, we make our facilities available to approved non-members as a witness to our faith, in a spirit of Christian generosity, and as a means of demonstrating the Gospel of Jesus Christ in practice.

But facility use will not be permitted to persons or groups holding, advancing, or advocating beliefs or practices that conflict with the church's faith or moral teachings, which are summarized in, among other places, **EFC-Southwest's Faith and Practice**. Nor may church facilities be used for activities that contradict, or are deemed inconsistent with, the church's faith or moral teachings. The pastor and Ministry & Counsel, or Board of Elders, make the final decision concerning use of church facilities.
